Dear Ms McCoy

**Re: Accreditation Notification
National Safety and Quality Health Service (NSQHS) Standards
Announced Assessment Program
Digital Wellness (127650)**

On behalf of The Australian Council on Healthcare Standards (ACHS) I would like to congratulate **Digital Wellness** on its award of three years accreditation. Your accreditation is valid until **25 September 2025**. Accreditation covers services specified in your ACHS NSQHS Standards Membership Agreement. Continuing accreditation is dependent on continued ACHS Quality Program membership, as per the terms and conditions of your contract. Please note, as advised by the Australian Commission on Safety and Quality in Health Care (ACSQHC), that the date of the current accreditation award follows on from the original accreditation expiry date because the additional 12 months accreditation extension was not required for this assessment.

The electronic Assessment Report which contains detailed comments pertaining to the findings of the assessment team, together with your organisation's certificates and accreditation testimonials can be accessed by logging in [ART2](#). This is printable and can be installed on your network for easy access by your staff.

The ACHS wishes to express its appreciation for the cooperation and courtesy extended to our representatives during the assessment. Once again, congratulations on your accreditation.

Yours sincerely

p.p.

Dr Karen Luxford
